Wk 8 Tayla W and Roni W
Wk 9 Emily G and Tamsin

From the Principal...

The Christmas countdown has begun and many classes are busily making props, practicing their performance skills and generally getting ready for concert day. It should be a great night!

Remembrance Day: We had a number of students attend the 100 Year Anniversary of Armistice Day ceremony here in Williamstown on Sunday the 11th November. Thank you to all in attendance-You represented the school really well!

Classes and Staffing: We hope to soon finish final class placements and be able to inform students of their placements before the holidays.

Hot Weather Reminders: As the weather is getting hotter please ensure your child has a named hat at school and we recommend that all students wear sunscreen - either applied at home or brought to school in their bag and labeled. Our school processes for Total Fire Ban and High Bushfire risk days are all in place.

Bin Bays: Fleur Natrass and Darin Dix have been busy completing the bays. Our new bin bays have been up and running for a couple of weeks now. All classes now have bins to match the colours. A huge thank you to Mrs Fleur Natrass for her dedication towards Recycling and the importance of it.

Talent Show: It was great to see the enthusiasm in the group that performed at this years Williamstown's got Talent. There were many acts from singing to dancing to acting and piano playing. It was wonderful to see the confidence in the children and the great audience skills shown. Thank you to Mel Valentine and the staff for their judging skills. Karri Pope and Lucy Peach took out the 1st prize for their confidence and enthusiastic singing "This is me!" by Keala Settle.

Raffle Reminder: Don't forget to buy your raffle tickets. Cheryl has the prizes displayed on the counter. If you have anymore donations will be still greatly accept them. Tickets are \$1 each.

Williamstown Positive Education Corner

Women's Football Under 11 years to Seniors

This is invite you to our
"Meet the Coach" and first
